Dear Messrs. Evans, McGarry, Ranwell, Russel and Spillane,

Joel Roberts

In response to your letter of 17th February, I would like to reiterate that Hewlett Packard Enterprise complies with all of its legal obligations regarding our pension plans and we do not accept the statements and allegations made in your letter that seek to criticize HPE and/or our actions.

We do however note in your letter intention to publicize your perceived grievances regarding this issue and Hewlett Packard Enterprise's actions. Whilst that remains a decision for you, we would strongly urge caution to ensure that any information relating to this issue is not misreported. We would advise you to seek your own legal counsel and note that our own position remains expressly reserved.

Yours sincerely,

Joel Roberts
